

Extra! Extra!

Sign up for *Home of the Braves* Spring Issue!

The Miscoe Hill Newspaper Club meets weekly to learn about and participate in hands-on investigative journalism, effective editing, photography, design, publishing, and of course fun! Each student will have a part in the newspaper production and will work as a team to publish our spring issue.

Please see the dates and times for **Session III** of the Newspaper Club, which will end with the publication of the ninth issue prior to the end of school. Students should be prepared with a book, homework, or quiet project to work on during any slow production time.

Please read and sign the student contract/parent permission slip below and return it to either the front office or Karen Arnold **NO LATER THAN March 27**. Our first meeting will take place in the library after school is dismissed on March 28.

Sincerely,

Mrs. Karen Arnold (karnold@mursd.org)
Newspaper Club Advisor
